CLUB

Whiskey Social has created the Whiskey Social Club, our exclusive Bottle Keep service. Become a member and enjoy a variety of benefits, including a personal whiskey locker, invites to exclusive Social Club events, 10% off all food, and preferred seating. It works like this: You can either pay an annual fee or purchase one of our bottles and enjoy as much of your favorite Whiskey. When you've had enough, we'll tag it with your name and store it safely in your personal locker.
