

What is Be Rich?

Be Rich is a campaign where we work together as a church with the sole purpose of helping others. We partner with non-profit organizations to serve the homeless, feed the hungry, combat human trafficking, care for kids in foster care, and provide resources for our military veterans. These causes were the highest priorities determined by a Spring 2016 congregational survey.

Our Goals

During this year's campaign, we hope to:

- * Give 800 items to help our veterans & homeless youth
- * Serve 400 volunteer hours
- * Involve 200 different individuals of all ages

OSU Star House

Star House is a drop-in center for homeless youth in Central Ohio. Star House offers a safe place for homeless youth to seek services such as counseling, employment, and housing aid.
