

Join us in the fight to **END DUCHENNE** Muscular Dystrophy!

THE LITTLE HERCULES FOUNDATION PRESENTS

THE HERO RUN

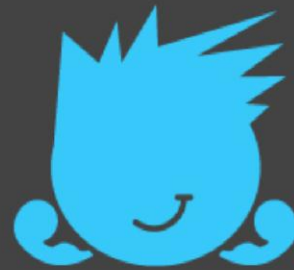

5K Run/Walk

Saturday, July 13th, 2013 @ 9:00am

Duchenne MD is the leading genetic killer of young boys. It is 100% fatal. Currently, there is no cure and treatments are severely lacking to treat this debilitating disease that robs our boys of the ability to run, jump, ride a bike, or play sports. Boys start showing muscle weakness around age 3-6, and are usually in a wheelchair by the age of 12-14.

Most do not live past the age of 25.

There is no known treatment for DUCHENNE MD today, but we are close. With your help, there can be one tomorrow!

LITTLE HERCULES FOUNDATION

Our Event

The Little Hercules Foundation, a nonprofit charity strictly focused on raising funds to END DUCHENNE, believes all boys deserve the chance to grow up with strong, healthy muscles. Join the fight by participating in the **Hero Run** on July 13, 2013, at Griggs Reservoir in Columbus, Ohio. All money raised by this event will be used to fund research toward treatments, and ultimately a cure, to END DUCHENNE within our sons' lifetimes.

Sign up

Registration fee is \$25. All participants will receive an event t-shirt, snacks and drinks. Register online at <http://www.active.com/running/columbus-oh/hero-run-5k-2013>
