The “El Riad Shriner of the Year” award was established to recognize and honor dedicated, active, hard working members of the temple who

have given many hours of their time and effort to the programs of the Shrine.

A letter has been sent at this time to all clubs and units so you may evaluate Shriners who will meet the above criteria for the upcoming Shriner of the Year awards.

The selections will be made by the previous winners and will be announced at the Annual Meeting.

Should you require further information, contact the Shrine office at 336-1117 or any Past Shriner of the Year.
