1. Consider what the day's word means to you.
2. Take a picture of something that represents the word and share it on Facebook, Instagram, or Twitter using #TUMCAdvent2016.
3. Be blessed by what others on the same Advent journey share.
****If you are not able to access the internet, or don't want to take a picture, consider journaling the feelings and thoughts that the day's word brings to you.*
