Dear ENTER NAME HERE,

It's time to saddle up and get ready for The Leukemia & Lymphoma Society's **Polo For The Cure 2008!** We had an amazing year in 2007 and are looking forward to more amazing things in 2008, and we hope to have you as a part of it all! **Polo for the Cure will be held at Stom Hollow Farm Field in Ligonier, Pennsylvania. The match is scheduled for Saturday, September 20, 2008.** The day offers a fun and unique setting for supporting The Leukemia & Lymphoma Society and its efforts to raise vital funds needed to support our patient aid and research programs.

Since its inception in 1994, **Polo for the Cure** has become one of Westmoreland County, as well as Western Pennsylvania's, premier fundraising events. Polo for the Cure features an international high goal polo match between teams from Dusseldorf, Germany and Ligonier, Pennsylvania. Polo for the Cure 2007 attracted over 950 guests and raised over \$150,000 to support local research and patient aid programs. Don't miss out on your chance to be a part of the excitement for 2008.

Our patients are the reason events like Polo for the Cure exist. We would be honored if you would join us to be recognized as one of our patient ambassadors at this year's match. You will receive four tickets to attend Polo for the Cure as our honorary guests. In addition, you are invited onto the field to be acknowledged during the awards ceremony, and your photo and biography will be included in our event book. If you are interested in attending or have any questions regarding the event, please contact Tina Massari at 412-395-2872. We hope to see you there!

Sincerely,

Tina Massari
