3. Selection Criteria

The main criteria used in the selection of successful applicants are financial need, academic potential and career-oriented study programmes. Preference is also given to applicants from rural areas and to female applicants. Other selection criteria are:

- 3.1 Full-time students at Further Education and Training (FET) Colleges and Agricultural Colleges are eligible for bursaries.
- 3.2 University of Technology and University students who study full-time, with a pass symbol in all their subjects, and who follow career-oriented programmes that are in demand in the labour market, are eligible. Agriculture, Commerce, Engineering and Education (with Mathematics and Science) are preferred study programmes.
- 3.3 Applicants for tertiary bursaries must please specify as clearly as possible the exact programme of study for which you need a bursary as well as the type and name of the educational institution where you plan to study and the year of study. Please differentiate clearly between "University of Technology" and "University". Study programme changes, after submitting your application forms, may lead to the cancellation of a bursary.
- 3.4 No bursaries are available for private tertiary institutions.

4. Bursary Amounts

Studietrust award three kinds of bursaries: access bursaries, partial bursaries and full cost bursaries.

- 4.1 Access bursaries are smaller bursaries that are intended to give access to tertiary education. Successful applicants will have to supplement the bursary with a loan or additional bursaries.
- 4.2 Partial bursaries cover around 50% of the total cost of studying per year. They are mostly sponsored by private sector companies, trusts or foundations. The balance of study-related costs must be covered from alternative means (e.g. a NSFAS loan).
- 4.3 Full-cost bursaries cover all study-related costs according to a formula prescribed by the donors.

5. Submitted Application Forms: Acknowledgement of Receipt and Outcome

- 5.1 Receipt: You will receive a sms or email confirming receipt of your completed application form. All properly completed applications received will be considered.
- 5.2 Outcome: You may expect a sms telling you whether your application was successful by 31 December. Please inquire only after 15 January next year if by that time you still have had no answer.
