## **ABOUT INSTITUTE & CITY BEAUTIFUL**

National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh is one of the four premier institutes established by the Government of India (Ministry of HRD) in 1967 for attaining excellence in technical education in the country with main focus on the states of the Northern Region. NITTTR Chandigarh is steadily heading to accomplish its mission of attaining a distinct position as the Centre Par Excellence in technical education, training and research in India. The distance of institute from Chandigarh Railway Station is 5 kms ; from Inter State Bus Terminal, Sector 17 is 5 kms ; from Inter State Bus Terminal, Sector 43 is 8 kms ; and from Chandigarh Airport is 10 kms. Chandigarh is India's youngest city, planned by the famous French architect Le Corbusier. It is a Union Territory and Capital of the State of Punjab and Haryana. Chandigarh is known for planning & architecture, quality of life, high educational level and pollution-free environment. During the month of April , the high temperature fluctuates between 35-38 °C while low fluctuates between 24-30°C .

<p><b>ABOUT CONFERENCE</b></p> <p>First International conference on Electronic Design Innovations and Technologies (EDIT-2015) will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Electronics Engineering &amp; Technology. The Conference looks for significant contributions to all major fields of the Electronics &amp; Communication Engineering in theoretical and practical aspects. Experts and eminent personalities from various Technical Colleges, Universities, Industries and Technological departments are invited to throw light on the thrust areas &amp; interact with participants for fruitful discussion.</p> <p><b>OBJECTIVES &amp; THEME</b></p> <p>This conference will provide a platform to the researchers and practitioners from both academia as well as the industry to meet and share their contributions in related field. The objective of the event is to provide an opportunity for the researchers, Technocrats, Academicians and Engineers to exchange their innovative ideas and new research findings in the field of Electronic Design Technology. Authors are solicited to contribute to the conference by submitting articles related to research results, projects, surveying works and industrial experiences that describe significant innovations and advancements in the following areas, but, are not limited to:</p> <ul style="list-style-type: none"> <li>✓ Digital Signal Processing</li> <li>✓ Digital System Design</li> <li>✓ Digital Communication</li> <li>✓ Optical Fiber Communication</li> <li>✓ Computer Networks</li> <li>✓ VLSI Design</li> <li>✓ Wireless &amp; Mobile Communication</li> <li>✓ Embedded System Design</li> <li>✓ Image Processing</li> <li>✓ ANN &amp; Fuzzy Logic</li> <li>✓ Antenna System</li> <li>✓ Soft Computing</li> <li>✓ Wireless Sensor Networks</li> <li>✓ Simulation &amp; Modeling</li> </ul>	<p><b>CALL FOR PAPERS</b></p> <p>Authors are invited to submit original unpublished research papers those are not currently under review for any other conference or Journal. Papers may be submitted in either MS WORD or PDF in IEEE format by e-mail to the given below e-mail address.</p> <p><b>edit2015submission@gmail.com</b></p> <p><b>PROCEEDINGS</b></p> <p>All papers accepted for presentation in the conference will be published in the proceedings. The maximum page limit is 4 pages per paper.
