

Life-Span® Protein Wellness Shake

What is the Life-Span® Protein Wellness Shake?

The Life-Span® Protein Wellness Shake is one of the best and easiest ways to provide the body with the essential protein and amino acids that build muscle and bone, provide energy, facilitate weight loss and enhance the immune system.

Not only is it delicious, it is lactose-free and void of most of the allergy-promoting components of milk, it is low-fat. Made from whey protein, the Wellness Shake is highly bioavailable and has an excellent amino acid profile. It comes in chocolate, vanilla, and berry flavors.

The Life-Span® Protein Wellness Shake is offered exclusively through Life-Span Health & Wellness Centers.

Benefits of the Life-Span® Protein Wellness Shake

- ✓ Boosts Energy
- ✓ Increases Endurance and Muscle Recovery
- ✓ Increases Metabolism (helps speed weight loss)
- ✓ Strengthens the Immune System
- ✓ Increases Growth Hormone Action (anti-aging effect)
- ✓ Curbs Appetite
- ✓ Digests more quickly than food
- ✓ Increases bone growth and strength
- ✓ Helps prevent oxidation of LDL (low-density lipoprotein) cholesterol

Ingredients

The protein powder that makes up the shake contains 100% cold-filtered whey isolate, ion exchange whey, natural flavors and Stevia (an herbal sweetener used worldwide). It does not contain any preservatives or artificial sweeteners.

To Make the Life-Span® Protein Wellness Shake

To make a delicious shake, blend one scoop (one ounce) with ice in 8 oz. of cold water, milk, or juice in a blender until thick, and enjoy! In a hurry? You can also shake it or stir it. In addition, high quality Life-Span® Protein can be added to other foods to increase their protein content.
