Dear Andrew

**RE: WTC ROOFING**

WTC Roofing has carried out some outstanding work for us and in particular at the Waikato Hospital. We have experienced WTC Roofing's professionalism and willingness to provide invaluable industry advice that ensured the project was planned and completed smoothly.

The standard of workmanship, knowledge, site set-up, project and Health & Safety documentation is excellent and cannot be faulted.

For any project management firm it is a pleasure to work with knowledgeable and trustworthy companies.

We would have pleasure in recommending WTC Roofing in confidence that the project will be completed successfully.

Yours sincerely
