

WHAT WE DO

Library. Since 2006, the Science Lending Library provides FREE cutting-edge scientific kits and equipment to K-12 Educators and Students.

Exploration. Learn by DOING.

Arts. Create masterpieces using state-of-the-art tools and technologies, integrating art and invention.

Research. Use advanced scientific tools to increase your knowledge base and enhance your skills.

Networking. We're a community of Inventors, Researchers, Artists, Engineers, Makers, Mentors, and Students.
Won't you join us?
