Why QUARTZFORMS...?

THE EVOLUTION OF STONE INTO A PERFECT SURFACE

QUARTZFORMS engineered stone goes one step further than natural stone.

QUARTZFORMS is the result of the most cutting-edge technological development of the exclusive Bretonstone® process.

QUARTZFORMS versatility, resistance, aesthetic appearance, hygienic qualities, and easy maintenance have won the trust of architects and designers worldwide.

QUARTZFORMS have created with Italian flair a range of beautiful aesthetically appealing surfaces, which offer an equal balance between classical elegance and contemporary style, which has proven popular with kitchen and bathroom companies, interior designers, and architects.

QUARTZFORMS made in Germany with precision engineering, innovation and quality, enables their customers to benefit from the scratch, heat, and stain resistance that comes with every QUARTZFORMS product.

The complete QUARTZFORMS COLLECTION is offered from stock in the standard POLISHED finish. Alternative stock options are available in OPACO SATIN soft touch finish, and SPACCO TEXTURED finish, in the families and colours as shown. These OPACO and SPACO finishes are supplied with an exclusive sealant coating to provide the same surface characteristics as the POLISHED finish.
