Membership

Rotary emulates "SERVICE ABOVE SELF". Belonging to a Rotary Club gives members an organized program for contributing to their community.

· Founded in 1905, Rotary is the world's first service organization.

· Rotary International is the largest service organization in the world. As of January 2001, it has a global network of 1.2 million members in over 29,500 clubs in more than 163 countries.

· Rotary members meet weekly to plan a wide variety of service activities. They determine their own service projects based on local needs and interests.

· Rotary clubs are nonreligious, nongovernmental and open to every race, culture and creed. Club membership represents a cross-section of local business and professional leaders.

· Members live by the Four - Way Test.

The 4 Way Test

1. Is it the TRUTH?

2. Is it FAIR to all concerned?

3. Will it build GOODWILL and BETTER FRIENDSHIPS?

4. Will it be BENEFICIAL to all concerned?

Rotary is a global network of community volunteers. Rotary members are business, professional, and community leaders who provide humanitarian service, encourage high ethical standards, and help build goodwill and peace in the world.

The **Rotary Club of Fullerton,** a member of Rotary International, is an association of concerned Fullerton leaders, working for the betterment of our community, the welfare of our families, and the future for our youth. Our club has been serving the community for over 75 years.

Members meet for lunch each week for fellowship. We develop service ideas, listen to speakers discuss current community, political, or international events and are made aware of Community and International needs. From these needs, we initiate community or international projects where we can be of assistance.

INTERNATIONAL

The goal of one Rotary International (RI) Program, is to “eliminate Polio in the world. On the 100th anniversary of Rotary founder, Paul P. Harris. This is the largest public health initiative in the world.

Our Club has played a part in this effort by providing a matching Grant with RI to eradicate Polio from the country of Costa Rica. We provided used English Children’s Books to a new children’s library in Sri Lanka, an ambulance and hundreds of school desks to our neighbor, Mexico. Our Club participates in many other Rotary International projects including 4H, World Professional and Student Exchange Programs. Our most recent Club project was to work with Amor Ministries to build a Kindergarten in a new developing community near Rosaretta Beach, Mexico. This school building was completed in three days with only hand tools since no electricity or generators were available. Inside facilities were provided so this school could begin immediately. This facility provides for Pre-School Children Care while the older children and parents can go to work to support their families.
