- *Introducing* -

Blending an elegant fusion of past and present, The Stables of Como, affectionately nicknamed, 'The Stables' is the iconic venue that sits in the stunning surrounds of The Historic Como House and Gardens.

The venue offers a sprawling garden backdrop to the 160-year-old house that encapsulates the grand and elegant architecture of the 1800s. The Stables boasts two separate but distinct spaces: The Garden Pavilion and The Grand Ballroom. Our idyllic surrounds also boast an array of gardens, which we can transform into ideal spots to host your function, from intimate picnics to grand celebrations.

The Stables embodies a wholesome food philosophy, incorporating our infamous vegetable gardens, supplying your taste buds with the freshest ingredients available.
