WELCOME

Welcome to the eleventh annual Toodyay International Food Festival delivered in picturesque Toodyay. Hosted from 10am to 3pm, you will have the perfect view of the Avon Descent whilst enjoying all the thrills and spills from dry land!

Tempt your taste buds with dozens of stalls offering an incredible range of mouth-watering international cuisine, as well as boutique beer and wine.

Watch our main stage come to life with a diverse range of performances inspired by cultures from around the globe and headlining acts not to be missed. Kids of all ages have been catered for too, with free bouncy castles, face painting and balloon twisting running throughout the day. The Toodyay International Food Festival committee would like to extend a huge thank you to Lotterywest. Without the significant funding from Lotterywest, this day would not be possible. The funding for the Avon Descent Family Fun Days notes the significance the events make in not only the local community and tourist cultures but also ensures that the world's greatest white water race is an experience enjoyed by all.

We would also like to thank all of the generous local businesses who are sponsoring today's event. Please take a moment to read about each of these wonderful businesses on page 2, and their contributions that they make to not only this event, but the greater community.
