EMPLOYMENT

- 2012 - present Holistic Family Chiropractic Physician and Owner
Gainesville Holistic Health Center
Gainesville, VA
- 2011 - 2012 Chiropractic Physician Associate, Independent Contractor
Bristow Physical Therapy and Chiropractic
Bristow, VA
- 2008 - 2011 Chiropractic Physician Associate
Atrium Health Services
St. Louis, MO
- 2004 – 2007 Chiropractic Research Assistant
Logan College of Chiropractic (LCC), Research Department
Chesterfield, MO
- 2002 – 2004 Research Assistant for Functional Neuroanatomy Laboratory
Québec University at Trois-Rivières (UQTR)
Trois-Rivières, (Québec) Canada

EDUCATION

- 2007 D.C. Doctor of Chiropractic Degree,
Logan College of Chiropractic, Chesterfield, MO
- 2003 BS Bachelor degree in Medical Biology, UQTR,
Trois-Rivières, (Québec) Canada
- 2000 DEC College degree in Health Science, CEGEP of Montréal,
Montréal (Québec) Canada

ACADEMIC & PROFESSIONAL HONORS

- July 2016 Certificate of Recognition for Podium Presentation at
the *International Conference on Holistic Medicine and Holistic
Nursing*
- July 2016 Certificate of Appreciation for Outstanding
Leadership, Commitment and Engagement toward
Moderating the *International Conference on Holistic
Medicine and Holistic Nursing*
- August 2015 Talk of the Town Award, Haymarket VA 2015
- August 2015 America's Top Chiropractors of the Year 2015

Academic & Professional Honors (con't)

August 2014	Talk of the Town Award, Haymarket VA 2014
August 2013	Talk of the Town Award, Haymarket VA 2013
August 2013	America's Top Chiropractors of the Year 2012
August 2012	America's Top Chiropractors of the Year 2011
September 2011	Presidential Research Award by SORSI
October 2010	Presidential Appreciation Award by SORSI
May 2010	First prize for best podium presentation at the AHC 30 th Research Conference, St Louis MO
November 2009	First prize for best poster presentation at the COCA 8 th Biennial Research Conference, Sydney Australia
October 2009	Researcher of the Year 2009 by SORSI
October 2009	America's Top Chiropractors of the Year 2009
October 2008	DeCamp Research Award by SORSI
December 2007	Health Center Achievement Award by LCC
December 2007	Clinical Assistant Award by LCC
December 2007	Who's Who among students in American Universities Awards

PROFESSIONAL EXPERIENCES

February 2010 - Present	Chiropractic Research Alliance (CRA) <i>Member-at-Large</i>
April 2009 – Present	Sacro Occipital Research Society International, Inc. (SORSI) <i>Chairman of Research</i>
April 2008 - Present	SORSI Mid-Year Research and Education Symposium <i>Certified Instructor</i>
October 2008 - Present	SORSI Homecoming Symposium <i>Certified Instructor</i>
April 2009 – April 2012	Sacro Occipital Research Society International, Inc. (SORSI) <i>Charge of Webinars & Newsletters</i>
September 2007 – April 2009	Sacro Occipital Research Society International, Inc. (SORSI) <i>Research Assistant</i>
September 2007 – September 2008	Logan College of Chiropractic, SOT™ & Gonstead Technique Classes <i>Volunteer Assistant Instructor</i>
September 2006 – present	Atrium Health Services <i>Research Assistant</i>

Professional Experiences (con't)

December 2006 – December 2007	LCC Yorkshire Health Center <i>Clinical Assistant</i>
March 2005 – October 2006	Katherine Conable, D.C. Private Practice <i>Clinical Assistant</i>

AUTHOR

Expecting 2017	America's STAR Entrepreneurs - the Power of Purpose, <i>Co-author</i>
Expecting 2016	Beyond the Back, <i>Co-author</i>
2015	Leaders and Legends of America <i>Co-author</i> ASIN: B0157RB70M
2014	Billionaire Parenting - Give Your Kids the World <i>Co-author</i> iUniverse, ISBN: 978-1491734575

Professional Certifications (con't)

June 2016	Eye Movement Integration™ <i>by American Hypnosis Training Academy</i>
April 2013	Diplomat of International Craniopath International (DICS) <i>by SORSI and ICS</i>
April 2012	Craniopathy Certification (CC) <i>by SORSI and ICS</i>
November 2010	Pediatric and Pregnancy 180 hrs Certification <i>by International Chiropractic Pediatric Association (ICPA)</i>
April 2010	SOT™ Advance Certification <i>by SORSI</i>
September 2009	Webster Technique Certified <i>by ICPA</i>
October 2008	SOT™ Basic Certification <i>by SORSI</i>
September 2008 / January 2006	Two Chiropractic Pediatrics 36 hrs Certificates <i>by LCC</i>
April 2007	Chiropractic Craniopathy 137.5 hrs Certificate <i>by LCC</i>
October 2006	Whiplash 100 hrs Certificate <i>by LCC</i>
September 2005	Certification in Kinesiotaping (CKTP)

CLINICAL RESEARCH STUDIES IN PROGRESS

Unger, JF., **Provencher S.** *Chiropractic and Brain Function.* Submission for WFC 2017

S. Provencher. *Sacro Occipital Technic Craniopathy Strain Correction in a Two-Year-Old Female with Non-Synostotic Deformational Plagiocephaly and Right Ventriculoperitoneal Shunt- A Case Report.*

S. Seekins, **Provencher S.**, Unger JF. *Resolved Transverse Lie Presentation Due to Intrauterine Constraint at 39 Weeks Gestation and Subsequent Vertex Vaginal Delivery – A Case Report.*

D. Madock, **Provencher S.** *A Novo Corrective Technique for Relieving Parietotemporal Sutural Compression Syndromes Using Specific Osseous Contacts in Conjunction with Isometric Resistance.*

Taylor, N., **S Provencher.** *Symphysis pubic mimicking low back pain in 3 subjects: A Case Report.*

Provencher, S., J.F. Unger Jr. *Fibromyalgia: A Chiropractic Perspective and Results of 14 Subjects.*

DeCamp O.N., M. Unger-Boyd and **S. Provencher.** *A Clinical Trial to Investigate Whole Body Compensation Due to Sacroiliac Joint Dysfunction.*

- S. Provencher**, S. Mason. *A Patient Centered Integrative and Holistic Medicine Algorithm Model of Collaborative Healthcare*. 2016. Podium Presentation at the Holistic Medicine and Holistic Nursing Conference. Philadelphia PA.
- S. Provencher**. *Sacro Occipital Technic Craniopathy Strain Correction in a Two-Year-Old Female with Non-Synostotic Deformational Plagiocephaly and Right Ventriculoperitoneal Shunt- A Case Report*. 2012. Poster Presentation at ACC/RAC, Las Vegas NV.
- M. Unger-Boyd, DeCamp O.N., **Provencher S.** *A Clinical Trial to Investigate Whole Body Compensation Due to Sacroiliac Joint Dysfunction*. April 2011. Poster presentation accepted for WFC, Rio de Janerio Brazil.
- S. Seekins, **Provencher S.**, Unger JF *Temporal-Occipital Cranial Strain: A Case of Pediatric Stuttering*. March 2011. Poster presentation accepted for ACC/RAC, Las Vegas NV
- M. Unger-Boyd, Unger JF, **Provencher S.** *Co-management of Dystocia Resulting in a Normal Delivery - A Case Report*. March 2011. Poster presentation accepted for ACC/RAC, Las Vegas NV
- B. Forgosh, **Provencher S.**, Blum CL. *Cranial Bone Imbalance, TMJ Dysfunction and Craniocervical Syndrome and its Effect on the Sucking Reflex in a Two Month Old Female Infant: A Case Report*. October 2010. Poster Presentation at the ICPA Research Conference, Washington DC
- B. Forgosh, **Provencher S.**, Blum CL. *Successful Resolution of Congenital Torticollis with Non-Synostotic Deformational Plagiocephaly in a Three Month Old Infant: A Case Report*. October 2010. Poster Presentation at the ICPA Research Conference, Washington DC
- S. Provencher**, J.F. Unger Jr. *Sacro Occipital Research Society International: the Major's Legacy – A History Report*. May 2010. Podium presentation at the Association for the History of Chiropractic, St Louis MO. *Best Podium Presentation First Prize*.
- S. Provencher**, Unger, JF, *Effects on Postural Control with a Sacroiliac Belt and Ten Chiropractic Treatment on 11 Random Fibromyalgia Subjects: A Pilot Study*. March 2010. Poster presentation at the ACC/RAC, Las Vegas NV
- S. Provencher**. *Viscerosomatic Reflex and Cranial Distortion in a Case of Bilateral Knee Pain – A Case report*. Podium presentation at the 2010 SORSI Mid-Year Research Proceedings, Chicago II April 23th. Journal of Vertebral Subluxation Research; May 17, 2010 pp 1-29
- S. Provencher**. *Bilateral Loss of Hearing after a 10,000 Feet Mountain Climbing Completely Restore by De Jarnette SOT™ and Cranial Adjustment – A Case report*. Podium presentation at the 2010 SORSI Mid-Year Research Proceedings, Chicago II April 23th. Journal of Vertebral Subluxation Research; May 17, 2010 pp 1-29
- S. Provencher**. *Viscerosomatic Reflex in a Case of Unexplained Uterine Bleeding – A Case report*. Podium presentation at the 2010 SORSI Mid-Year Research Proceedings, Chicago II April 23th. Journal of Vertebral Subluxation Research; May 17, 2010 pp 1-29
- S. Provencher**. *Cranial Strain in a Two Year-Old Girl with a Right Ventriculo-Peritoneal Shunt with Motor Impairments – A Case Report*. Podium presentation at the 2010 SORSI Mid-Year Research Proceedings, Chicago II April 23th. Journal of Vertebral Subluxation Research; May 17, 2010 pp 1-29
- S. Provencher**, J.F. Unger Jr. *Effects on Postural Control with a Sacroiliac Belt and Ten Chiropractic Treatment on 11 Random Fibromyalgia Subjects: A Pilot Study*. Poster presentation at the 2010 SORSI Mid-Year Research Proceedings, Chicago II April 23th. Journal of Vertebral Subluxation Research; May 17, 2010 pp 1-29
- Taylor N., **Provencher S.** *Symphysis Pubis Dysfunction in Three Individuals with Pelvic and Groin Pain – Case Reports*. Podium presentation at the 2010 SORSI Mid-Year Research Proceedings, Chicago II April 23th. Journal of Vertebral Subluxation Research; May 17, 2010 pp 1-29

Articles, abstracts and posters (con't)

J.F. Unger Jr, **Provencher S.** *Thoracic 8 Viscerosomatic Reflex in Cases of Low Back Pain, Liver Failure and Infertility – Case Reports.* Podium presentation at the 2010 SORSI Mid-Year Research Proceedings, Chicago IL April 23th. Journal of Vertebral Subluxation Research; May 17, 2010 pp 1-29

J.F. Unger Jr, **Provencher S.**, O. N. DeCamp, *A Pilot Study: Cranial Distortion and Category II Pelvic Blocking.* IRB approve 1997, Journal of Vertebral Subluxation Research; 2009 Dec 18, p.1-11.

J.F. Unger Jr, **Provencher, S.** *Compression of the Sacroiliac Joint with a Sacroiliac Belt on 36 Subjects Improved Postural Control: A Pilot Study.* November 2009. Poster presentation at COCA 8th Biennial Conference, Sydney Australia. *Best Poster Presentation First Prize.*

J.F. Unger Jr, **Provencher, S.** *Fibromyalgia: A Chiropractic Perspective and Results of Five Subjects Pilot Study.* November 2009. Poster presentation at COCA 8th Biennial Conference, Sydney Australia.

J.F. Unger Jr, **Provencher, S.** *Chiropractic Manipulative Reflex Technique Protocol to the 8th Thoracic Vertebra in a Case of Chronic Gastrointestinal Dysfunction.* October 2009. Poster presentation at Neuroscience Brain Research: Neural Mechanism of Ingestive Behavior and Obesity Conference, Chicago IL

Zhang, J., **S Provencher**, JF Unger Jr. 2009. *Changes in Heart Rate Variability in Healthy Human Subjects on a New Bicycle Seat versus Traditional Bicycle Saddle: A Pilot Study.* April 2009. ICCR/WFC, Montréal, Canada.

DeCamp ON, **S Provencher**, M Unger-Boyd. 2009. *A Pilot Study: Investigating the Sacroiliac Syndrome.* April 2009. ICCR/WFC, Montréal, Canada.

Unger JF., **S. Provencher.** *Compression of the Sacroiliac Joint with a Sacroiliac Belt on 36 Subjects Improved Postural Control: A Pilot Study.* April 2009. Podium presentation at the SORSI mid-Year Research Symposium, Chicago IL.

Provencher S., JF. Unger Jr.. *Compression of the Sacroiliac Joint with a Sacroiliac Belt on 11 Subjects with Fibromyalgia Improved Postural Control: A Pilot Study.* April 2009. Podium presentation at the SORSI mid-Year Research Symposium, Chicago IL.

Provencher S., JF. Unger Jr. *Ten Sacro Occipital Technic and Sutural Protocol Treatment in 5 cases of Fibromyalgia – A Pilot Study.* April 2009. Podium presentation at the SORSI mid-Year Research Symposium, Chicago IL.

Provencher S. *Improvement in Quality of Life in Two case with Fibromyalgia and Porphyria.* April 2009. Podium presentation at the SORSI mid-Year Research Symposium, Chicago IL.

Provencher S, JF Unger Jr. *Restoration of the Craniosacral Respiratory Mechanism in Fibromyalgia via Specific SOT™ Chiropractic and Cranial Treatments.* April 2008. Podium presentation at the SORSI mid-Year Research Symposium, Chicago IL, Journal of Vertebral Subluxation Research.

DeCamp ON, **S Provencher**, M Unger-Boyd. *A Pilot Study: Investigating the Sacroiliac Syndrome.* April 2008. Podium presentation at the SORSI Mid-Year Research Symposium, Chicago IL, Journal of Vertebral Subluxation Research.

Provencher S., D. Riederer, DV Lenihan. *Neuromuscular Transmission Time Changes in Long Distance Runners.* 2007. IRB approved; Submission to Muscles and Nerves Journal in process

Cranwell, R., **S. Provencher.** *Case Report: Gonstead Specific Chiropractic Treatment Effect on a Patient with Grand Mal Seizure with Associated Hallucination.* 2007. Logan Library

Provencher S., F. Keough, D. Monken, A. Bridgeforth, M. Unger-Boyd. 2007. *A Pilot Study: Improvement on Sway Velocity with a Sacroiliac Belt.* 2007. Logan Library

Articles, abstracts and posters (con't)

Provencher S., J. Fifes, L. Killian, T. Thomas, J. Braithwaite, P. Montgomery and DV Lenihan. *A Pilot Study: The Effect on the Recruitment of the Motor Unit Pattern of the Erector Spinae Group After a Logan Basic Technique Adjustment.* 2007. Logan Library.

Provencher S., S. Simmons, E. Woods, B. Nickels-Johnson, P. Pelligrino and P. Montgomery. *A Pilot Study: Determination of a Logan Basic Adjustment on the Brachial Artery Flow-Mediated Dilatation in a Student Population.* 2007. Logan Library.

Provencher S., D. Riederer, C. Wawrzyniak and DV Lenihan. *Neuromuscular Transmission Time Changes in Long Distance Runners.* 2006. Logan Library.

Provencher S., D. Riederer, C. Wawrzyniak and DV Lenihan. *The effect of proprioceptive training on Quadricep Femoris Muscle reflex amplitude.* 2006. Logan Library.

Provencher S., D. Riederer, C. Wawrzyniak and DV Lenihan. *The effect of proprioceptive training on F-wave frequency and amplitude.* 2006. IRB approved.

Provencher S., D. Riederer, C. Wawrzyniak and DV Lenihan. *The Effect Of SpineForce Training On The Nerve Conduction Velocity Of The Quadricep Femoris Muscle.* 2006. IRB approved

Zhang, J., **S. Provencher.** *Chiropractic Adjustment and Electrical Stimuli Evoked Potentials of the Lumbar Vertebrae on Somatosensory Cortex.* 2005. IRB approved

Piché M., S. Robert, **S. Provencher** and G. Bronchti. *Cross-modal plasticity in the ZRDCT/An anophthalmic mouse : c-fos immunoreactivity and anterograde dextran-biotin tracing, Brain Plasticity and Learning Therapies.* July 2003. Poster presentation at the Neuroscience conference, Turin, Italie.

Robert S., M. Piché, **S. Provencher** and G. Bronchti, *Auditory inputs and auditory activation in the visual system of ZRDCT/An anophthalmic mouse.* November 2003. Poster presentation at the Society for Neuroscience 33rd Meeting, New Orleans, USA.

Provencher S., [Use of fluorescent tracer in the study of neuronal connection in the sensory brain structure of blind mice.] March 2003. Poster presentation at UQTR.

RESEARCH EXPERIENCES

2004 – present Bioresonance, Biowell, Biofeedback, Needle EMG, surface EMG, surface SSEP, HRV, SpineForce, NeuroCom balance master, Midot balance unit, F-wave, M-wave, H-reflex, Pro-adjuster, jitter, vibration power-pate, algometer

2002 - 2004 Microtome brain cutting, microscopy, fluorescence and Biotin dye injection into mice and rats brain, perfusion mice and rats hearts with paraformaldehyde, anesthesia with Somnotol, Immunofluorescence, C-Fos protocol, Myelin/ Eosin/Chrom-alum histological stain

PROFESSIONAL MEMBERSHIPS

Lifetime Sacro Occipital Research Society International, Inc. (SORSI)

Lifetime Association for the History of Chiropractic (AHC)

2016 - Present American Holistic Health Associate
