

I am...

Marymar

Latina & strong.

I wonder if I will go back
to **PUERTO RICO...**

I hear my mom say I
LOVE YOU & I miss you...

I see my welcome home
party.

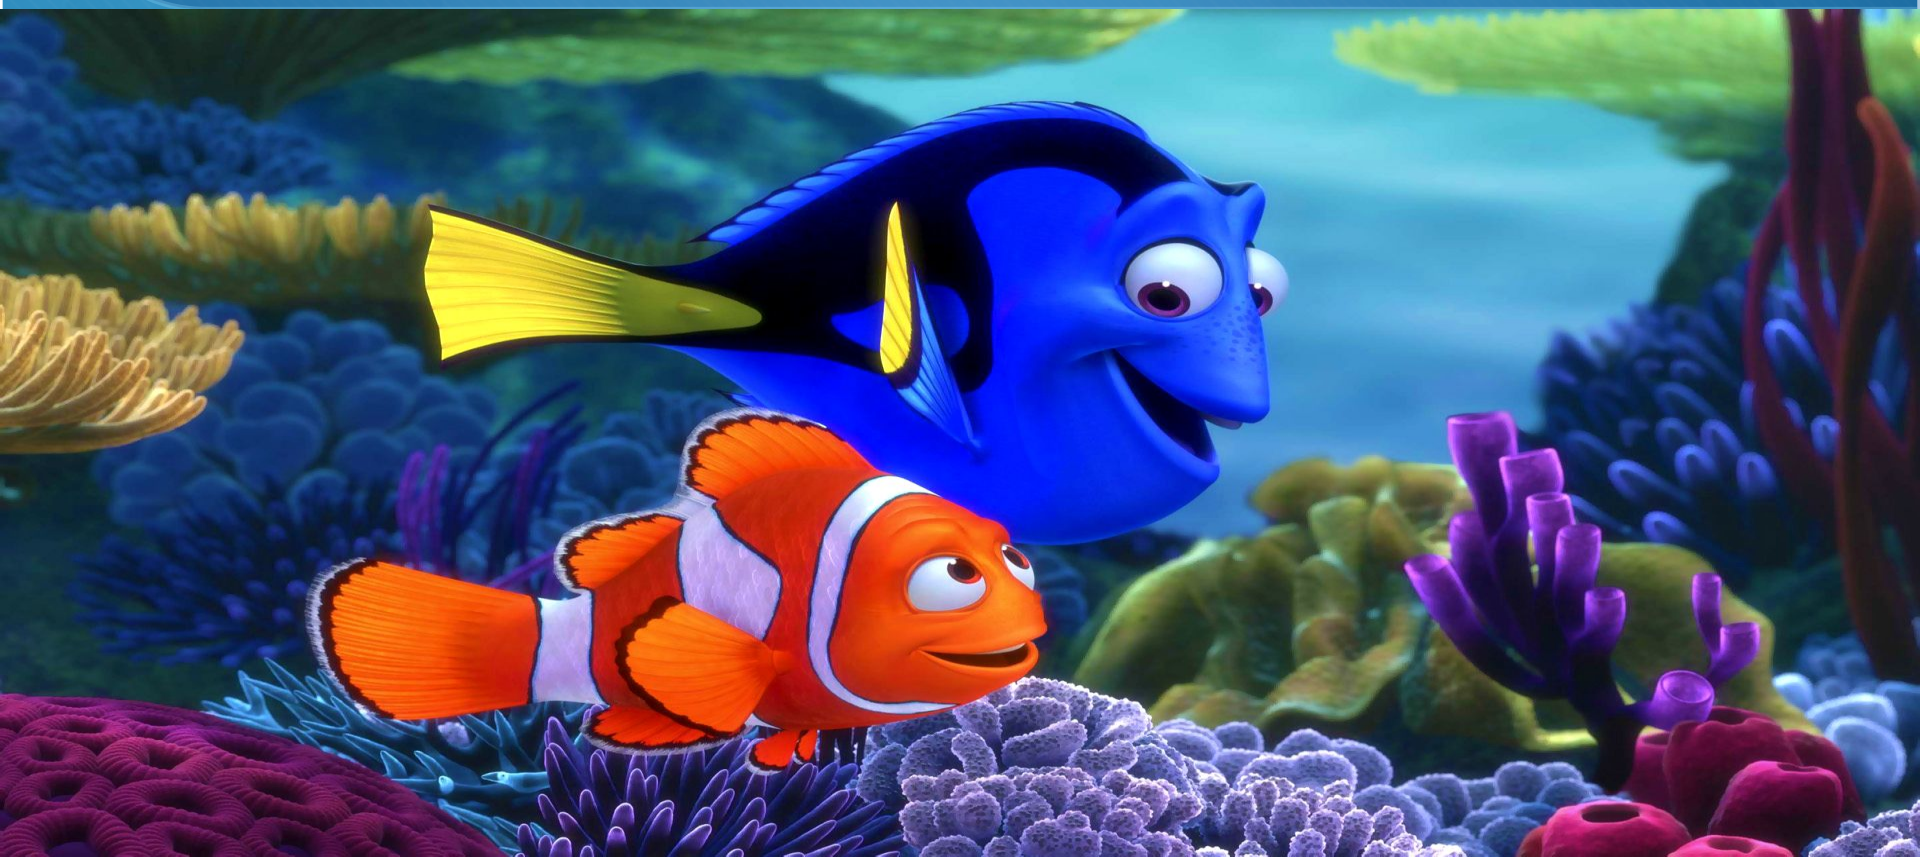

I want go back to
JAMESTOWN, N.Y.

I am Marymar Bones- Vega

I pretend to swim like a
fish...

A stylized illustration of a bright yellow sun with a blue outline, partially obscured by white and blue clouds, set against a blue sky background.

I feel sad

100%
sad
without
you

I touch my mom's hair

I worry I will not go back
to my mom...

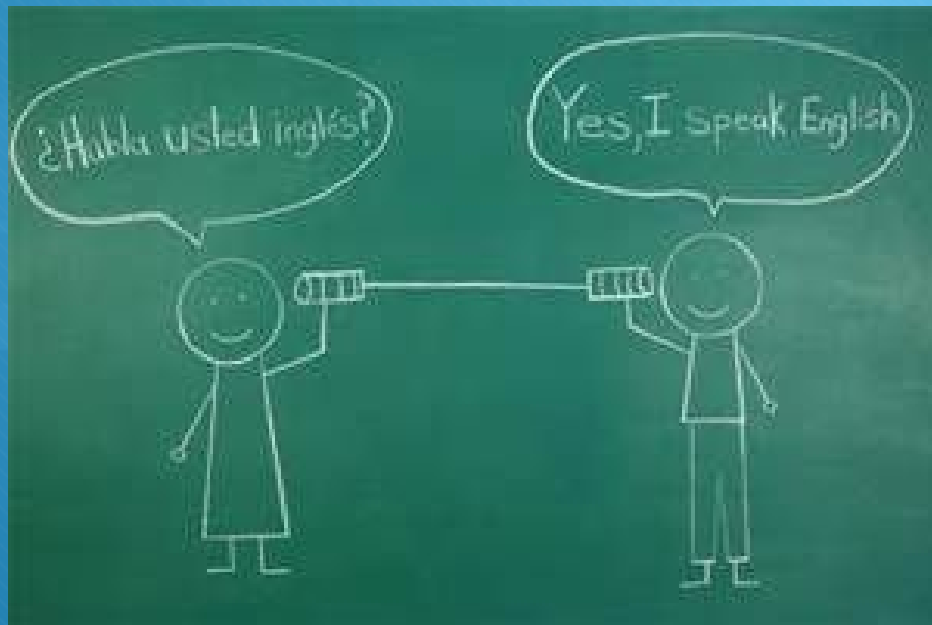

I cry a river of tears.

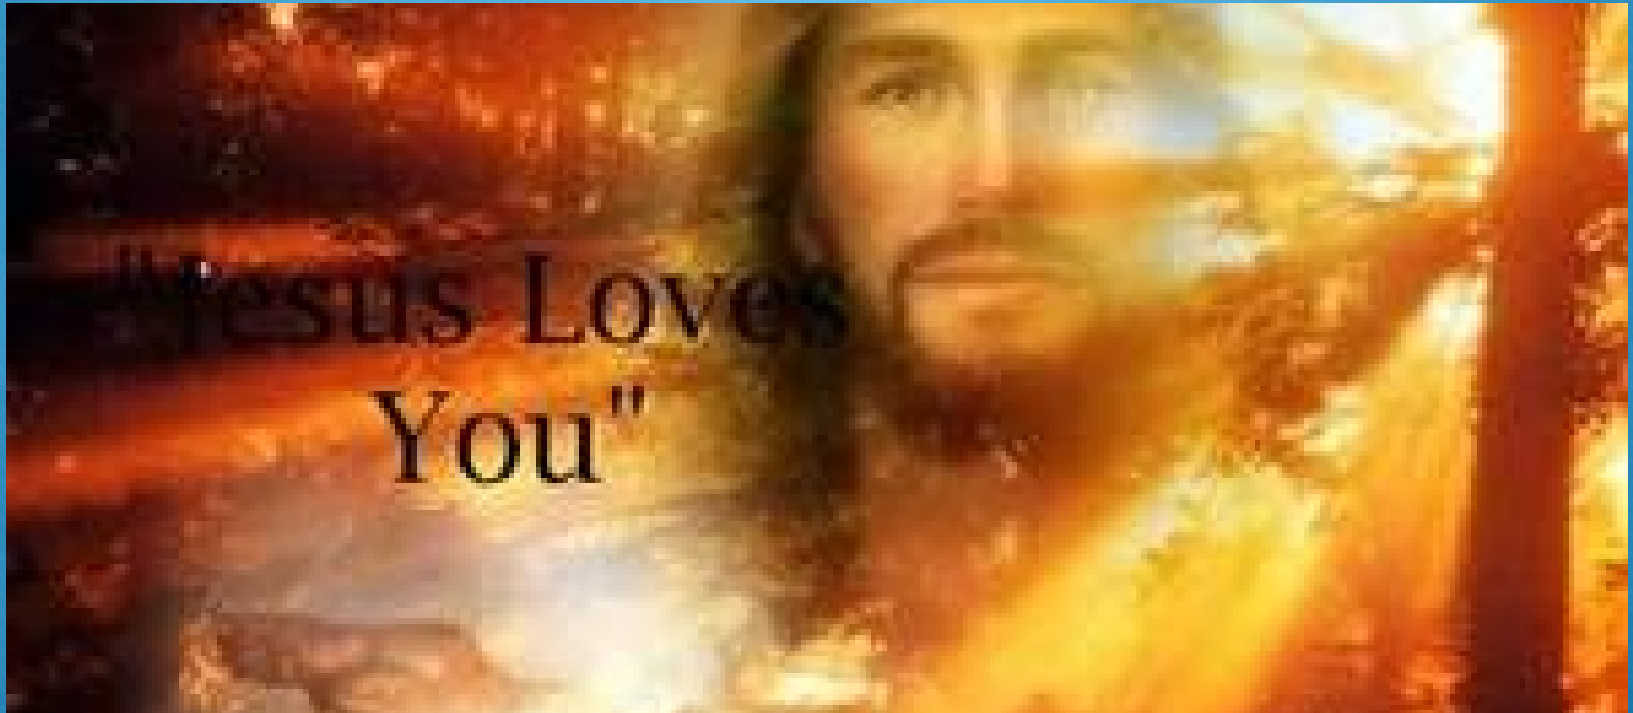

I am Marymar Bones-Vega.

**I understand and speak
English and Spanish.**

I say, "God"!!

I dream about my friends.

I try to escape.

I hope to live with my
mom forever.

The
End
