

## Limerick Neo Natal Unit, St Munch in's Maternity Hospital

The beneficiaries of the Christmas fundraising for 2015 were the Neo Natal unit at the Regional Maternity Hospital. 2 nights of fundraising through a free raffle in the Crescent Shopping Centre, together with a fun Santa Cycle 5km walk/cycle raised over €2.5k. This was donated to kit out the parent's room at the maternity, provide some vital chairs for beside the incubators and fund the annual 'Older Siblings Christmas Party'. Since thanks to all the businesses who donated the marvellous prizes to the raffle, and to the Crescent Shopping Centre and its patrons who were so generous in their donations.
