

WORLD TABLE TENNIS FOR ALL DAY  
6 APRIL 2016

## WTTD - Call for Videos

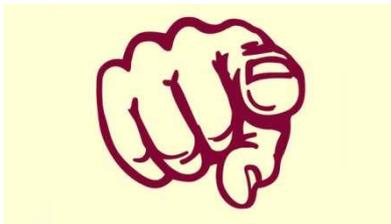

ITTF is preparing an official **World Table Tennis Day – Video** to share our passion for Table Tennis with the world. We want to show the fun **EVERYBODY** can have playing Table Tennis, **EVERYWHERE** and under **WHATEVER** conditions.

And we need **YOU** to help us set up this video, as the idea is to show as many places and people possible realizing activities on April 6 (or several days before or later).

So get your camera ready and prepare yourself to **win** 1 of the 30 official **WTTD T-Shirts** going to the **best clips**. Creativity, background, entertainment value and innovation are the criteria we use to determine who wins a T-Shirt.

Please don't forget to read the **following instructions** to ensure your participation:

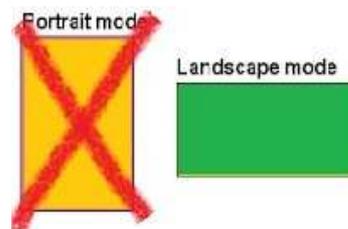

### Who can participate?

**YOU!** No matter if you have organized an event or if you visit one of the registered events.

### Are there any format restrictions to accomplish?

Not many, but please film in **landscape format** and if possible in **Full HD**.

### How and when do I send my video?

Please use [www.filedropper.com](http://www.filedropper.com) to upload your videos (it's free and there is no registration required) and **send us the Download Link** together with your contact details **not later than April 25** to: [april6@ittfmail.com](mailto:april6@ittfmail.com).

## Anything else to fulfil?

**Yes!** And this is important:

As we will bring together lots of videos to one clip, it is central to have some elements repeated in each video. They will serve us as **transitions** between the different videos, so please make sure to make the following points part of your video:

### ✓ "Throwing balls from country to country"

Please film somewhere in your video a player **catching a ball coming in from the left side** of your camera and **throwing it away to the right side**. This way we can show the world a sport shared between different nations all around the globe.

### ✓ "Passing the camera quickly to another nation"

Movie maker call this "Whip Pan" and want to say that the camera moves so quickly from one point to another that the picture become blurred. For our purpose, please do the following:

**At the end of your video**, move the picture fast **from left to right**. It doesn't matter to where, as we just need the blurry beginning from it, but please make sure to stop your video with this quick move and that you do it from left to right **in a horizontal way**.

Have a look at the following videos to get a better idea of what we mean:

(after 53 seconds)
- <https://www.youtube.com/watch?v=Zcu-A7uUhLg&feature=youtu.be&t=2m12s>  
(after 2 minutes and 12 seconds)

### ✓ Content

**Surprise us!** We would love to be in every single event hold over the globe, but as this is impossible, we are looking forward to **get an impression how WTTD was like** at your place. What do you want to share with the world? Was there something special? Something funny? Any message you want to send out? Share a view of all the interesting activities you are preparing!

## How do I get my official WTTD T-Shirt?

ITTF assumes shipping costs to your place, but please note that **the recipients will be responsible for any costs once the T-Shirt has arrived at their country**, including any taxes and duties.

ITTF will provide supporting documents to confirm that they are donations.
