

Cadence Park PTSA presents

Want to be an entrepreneur? Do you love being creative and coming up with something new? How about making slime or baking cookies? **Join us on May 1<sup>st</sup> for our first Puma Marketplace!**

We need 20+ students to create, market, and sell their handmade goods at the marketplace. Sellers must submit the form below with two ideas (i.e. slime) of what they would like to make. Goods must be priced between \$1-\$5. If there are multiple students wanting to sell the same thing, it will be based on a first come first serve basis.

Interested students and parents should attend the Maker Session and return this form to your teacher by February 14<sup>th</sup>. *The Maker Session will be held on March 5th in the Media Center* where we will hear tips from small business owners, learn about the basics of money management, and see how we can give back to the community. Also, find out which item was selected for you to sell. There must be a minimum of 20 student sellers in order for this program to take place.

**Key Dates:**

February 14th - interest form due to teachers.

March 5th - Maker Session (5:30 - 6:30 pm).

May 1st - Puma Marketplace (5:30-7:30 pm).
