by Austins & Co.

Austins & Co. is a 1500 acre property located less than one hour from Melbourne and 20 minutes from Geelong. Set in the picturesque Moorabool Valley, we are an undiscovered location that offers privacy as well as picture perfect scenery.

If you're looking to hold your wedding at a venue you can style to your own tastes, or a property where you can have anything from 5-star sit-down catering to finger food from your favourite food van, Austins & Co. is the ideal venue for you. We can offer anything from an elegant affair to a fun festival style wedding. No matter what you desire, at Austins & Co. we can offer you flexibility and a 'blank canvas' to allow you to see your vision come to life.

At Austins & Co. we believe that every wedding should be unique and represent each couple exactly as you are as a couple. For this reason, we simply offer our venue for a venue hire fee and allow you to organise the rest. Of course, we are here to assist and can offer a preferred supplier list which features exclusive discounts to further help you create the day and wedding that you have always dreamed of.

Our property has 150 acres of vines, a working winery and we also run sheep. It is a beautiful location with plenty of trees, amazing views and not a neighbour in sight!

### *Ceremonies*

With both of our wedding packages, we offer use of the property for your ceremony as well as for your reception. There are many beautiful places at Austins & Co. to say your 'I do's', such as next to a vineyard, in our beloved 'Bush Block' or on the hill beside the dam to name a few. In the case of a wet weather concern, we suggest you hire a marquee for your ceremony, or you can discuss a wet weather alternative with us. There are a number of churches and chapels nearby within a 15 minute drive.

### *Photography*

Austins & Co. is a very photogenic property and the ideal place for your photographs. We offer picturesque locations from vines, to fields, to sweeping views and the most perfect sunset light.

### *Catering*

At Austins & Co. we hire out our venue to you for you to create a wedding tailored specifically to you as a couple. This means that you have the ability to choose your desired caterer. All equipment will need to be supplied by your catering company, as we do not have onsite kitchen or catering facilities.

# The Luxe List

We have created a list of our favourite industry suppliers who know Austins & Co. like the back of their hands, and create gorgeously unique work for each and every wedding. In addition, we have also negotiated exclusive discounts with these suppliers for couples who choose to celebrate their wedding with us at Austins & Co.
