

# TEST SESSION REGULATIONS

---

- If you are a skater not from an Arizona Skating Club please submit application with a \$35 fee and the USFS permission form from your club.
- All test session applications must be:
  1. Received by the Test Chair TWO WEEKS (14) days before the scheduled session.
  2. Postmarked a minimum of fifteen (15) days before the session. In the case there are more applications than available ice time, applications will be accepted by postmark date.
  3. Late applications and fees may be accepted at the discretion of the Test Chair and must be accompanied by a late fee equal to forty (40) percent of the total test fees.
  4. Complete Applications must be completely filled out and have payment attached. Incomplete applications may be bumped from the test session. It is extremely important that the USFS number is on the form, and that the Coach has signed the form and indicated which test(s) are to be taken.
- Once the test schedule has been published, any skater who decides not to test will forfeit their test fee due to the need to pay for the ice in advance.
- A skater may be withdrawn from the session prior to the schedule being published and have the test fee applied to the next scheduled test session.
- Skaters who are “bumped” from a test session due to limited ice time or lack of correct level judges will receive priority scheduling on the next session. Coaches must call or email the test chair by the application deadline of 14 days to confirm that the skater still wants to test.
