Dear Mr. Welch:

I am pleased to support Operation Let's Roll's pursuit of funding from the Veterans Affairs Adaptive Sports Grant.

I understand that Operation Let's Roll seeks to increase and expand the quality of life among disabled Veterans and members of the Armed Forces to include those victims of Military Sexual Trauma, through participation in physical activity within their home communities. I am told the program seeks to empower disabled veterans, Armed Forces members and their families through military combatives, re-building self-esteem, confidence, and promoting resiliency.

I am happy to support Operation Let's Roll's application for funding and hope that they receive all possible consideration. Please accept this letter as an expression of my interest in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Pat", enclosed within a blue circular scribble.
