

International Superyacht Design Award

The International Superyacht Society and International Paint, Sponsors of this Award, have judged the following vessel to be one of the top five Sailing Yachts over 40m, built in the world during 2012-2013.

Mikhail S. Vorontsov

The Society wishes to honor the boat builder and its designers for creating a vessel which reflects the Superyacht Industry's pursuit of the highest standards of beauty and innovation in the construction of a modern yacht.
