To share these #LoveInAction sheets or cards with others, photocopy this 2-sided sheet of paper (if possible, use a colorful card stock). Use scissors or a paper cutter to cut the cards into business card size. You will then have 8 cards you can give out to others. As you are prompted to do an act of kindness for someone, give them a card. Invite the person to go watch the video and then use the card to pay it forward to someone else. You can do this in your neighborhood, drive-thrus, school, restaurants, on the street, workplace, group gatherings, and in your community. We hope these #LoveInAction cards and acts of kindness to help people to experience love in life-changing ways. Whenever possible, share encouraging stories with others in personal conversations, groups, and on social media (use the term **#LoveInAction** or **#40DaysofGenerosity**).

*Sheets of these cards are available as a free PDF download at www.LovingNorthBrevard.org
