Celebrate at **Le Moo**™

Turning 30, 40, 50 or even 100 really is a BIG reason to Celebrate at Le Moo! Now, every dinner guest celebrating their birthday with us in a party of four or more receives a credit toward his or her entrée up to the dollar amount equal to his or her age! So, if you, Mom or Grandpa are celebrating 75 years, for example, grab a few friends, make your way to Le Moo (within two days before or after the birthday, with a photo ID) and receive \$75 off the cost of any one of our 14 choice, prime, dry-aged or special Wagyu steaks, or any other dinner entrée. Remember, you need to dine in a party of four and each guest must purchase an entrée.

It's a Moo-sized savings that's worth celebrating every year, and it's our special birthday gift to you, from the internationally recognized and award-winning Le Moo. Call 502.458.8888 for more information or to reserve your birthday celebration today. **Please review additional details below, or visit LeMooRestaurant.com.**

*Restrictions: Offer is valid two days before and after birthday guest's birthday with valid photo ID. Entrée credit will be the dollar amount equal to guest's age, or less, depending on cost of entrée. Each guest must purchase an entrée. Entrée can not be shared; doing so will void this offer. Offer not available at bar. The credit cannot be applied to taxes or gratuity. The offer may not be combined with another offer; it is non-transferrable and may not be credited, resold or redeemed for cash.
