

YOUR RECYCLING CHECKLIST

COSMIC CREATIVES

All same material items are sorted separately

All items have been thoroughly cleaned to avoid contamination

All bottle caps have been removed and sorted separately

All containers, such as beverage bottles and milk cartons, have been compressed

Plastic that cannot be recycled has been shredded and placed into a plastic bottle as an eco-brick

Any hazardous waste has been separated and stored properly for the recycling depot

Organic waste has been thrown into a compost heap, used as fertiliser for the garden, or is on its way to the local farmer

Reduce, Reuse, Recycle
