DR. PATCHIN WILL ADDRESS THE CHANGES TO CA STATE LAW

AB 256, Chapter 700 (2014) Clarifies role of school in intervening in bullying cases that originate away from school.

AB 9 "Seth's Law" (2011) requires school policy and investigation processes

AB 1156 (2011) expanded the definition of bullying and connected it to academic performance.

CO-DIRECTOR- CYBERBULLYING RESEARCH CENTER

Award-winning book *Bullying Beyond the Schoolyard: Preventing and Responding to Cyberbullying* (co-authored with Sameer Hinduja) examines the ways adolescents use technology to cause harm to their peers (and what adults can do about it).

JUSTIN W. PATCHIN,
PH.D. DEPARTMENT OF
POLITICAL SCIENCE
UNIVERSITY OF
WISCONSIN-EAU CLAIRE

Professor of Criminal Justice - Department of Political Science- University of Wisconsin-Eau Claire.

Ph.D. and M.S. in Criminal Justice - Michigan State University. B.S. in Sociology with an emphasis in Criminal Justice - University of Wisconsin-Superior.

Presented on various topics: juvenile justice, school violence, policy and program evaluation, and adolescent Internet use and misuse at academic conferences and training seminars across the United States.

First book *The Family Context of Childhood Delinquency* explores the role of parenting in the prevention and intervention of serious delinquent behaviors of children. Since 2002, his research has focused on adolescent behavior online.

Most recently he published *Cyberbullying Prevention and Response: Expert Perspectives and School Climate 2.0: Preventing Cyberbullying and Sexting One Classroom at a Time* (both also co-authored with Sameer Hinduja).

Dr. Patchin has spoken at the White House (3/16/2011) and the FBI Academy, and has appeared on CNN, NPR, and in the New York Times to discuss issues related to teens use and misuse of technology.
