## Seymour treats kids of all ages to fun celebration

By Patricia Villers

SEYMOUR - Superheroes, fairy princesses, witches, ghosts, goblins, and monsters of all descriptions converged Saturday on downtown streets to seek treats.

Children and many of their parents donned costumes and celebrated Halloween at the 10th annual Downtown Trick or Treat event sponsored by the Seymour Culture and Arts Commission.

They paraded around the block along Bank, Main, DeForest, and First streets and merchants, many in festive costumes, gave out candy. The Seymour Middle School Band performed Halloween music.

Some folks brought their dogs with them, and I even met a cute black cat named Bella from Ansonia being pushed in a stroller. I'm not sure she was enjoying the afternoon, though.

I'm glad my daughter and I decided to get into the Halloween spirit and attend the event for the first time.

Organizers certainly succeeded in putting on a fun, family-oriented Halloween celebration.
