President's Message

WOW – another year has flown by and I find myself once again reflecting on the season ahead with great anticipation, particularly given the frozen, snowy conditions we experienced entering 2017.

Which reminds me of icebergs, and the similarity between icebergs and your V&D Directors….seriously!!

90% of the iceberg is invisible below the tip that we can see, which parallels the huge amount of time and effort put in by your V&D Board members during the winter to ensure we have a full, efficient and smooth program of bowls events available to us during the summer. It's an honour for me to work with this highly dedicated and professional group who make it all happen so seamlessly.

Our job as your Directors is facilitated by the umbrella support for our sport from Bowls Canada and Bowls BC. And of course, all of this would be for nought without the tremendous work undertaken by the many volunteers at each club in our District. So, thanks to everyone on behalf of all 2,300 Lower Mainland bowlers!!!!

You will note a few changes to some of the V&D Tournaments in 2017 – these were done to match events to changing demands and interest which shows up in increasing or decreasing entry levels for certain kinds of tournaments. We'll keep an eye on the changes and continue to ensure we have a good match of events and interest going forward.

Of note, we have three V&D clubs celebrating their Centennials in 2017 (details in the following pages). Congratulations to all three on achieving this substantial milestone.

Finally, I'm pleased to serve as your President again in 2017 – have a super season and I look forward to meeting you on a green somewhere.

David Arnott, President
