We Know Nuts!

Nuts have been our family business for over 40 years. As pistachio growers located in the heart of California's central valley, we are passionate about producing great tasting nutrient dense pistachio products. We know that consumers are looking for wholesome and convenient snacks that taste great, but without all the salt. We created Pistachio Chewy Bites with a touch of sea salt to bring consumers all the nutritional benefits that pistachios provide, with the added benefit of moist antioxidant cranberries. Each bite is individually wrapped, keeping them fresh and making them a convenient on-the-go snack.
