

Dear Friends,

Elite Midstream Services is proud to invite you to attend our **Second Annual Sporting Clay Shoot benefitting Homes for Our Troops**. The event will be held on May 20, 2017 at Hunting Hills Shooting Preserve located in Dilliner, PA.

Homes for Our Troops (HFOT) is a national 501(c)(3) non-profit organization founded in 2004 committed to building specially adapted homes for Service Members nationwide who have returned home with life altering injuries post 9/11. These Veterans are among the nation's most severely injured with missing limbs, varying levels of paralysis, blindness and traumatic brain injury (TBI). The homes are provided mortgage-free to these Veterans. Contributing to this fundraiser will help **HFOT** continue its mission to **Build Homes and Rebuild Lives**. You can trust your dollars are going to a Top-Rated Military and Veterans Charity: **HFOT** has received Charity Navigator's highest rating of 4 Stars every year since 2008 and Charity Watch has awarded **HFOT** an 'A' rating. Nearly 90 cents on the dollar goes to helping the Veterans they serve.

We are very proud of last year's event because we were able to send a check to **HFOT** for almost \$25,000.00 to be used for their general mission. This year we have identified a specific severely injured veteran to whom we are going to dedicate the proceeds to from this year's event and help **HFOT** provide him with a compatible home.

The veteran's name is Army Corporal Kevin McCloskey from Southampton, PA. On June 8, 2008, Corporal McCloskey was driving in a convoy with the 506th Infantry Regiment (4th Brigade), 101st Airborne Division, in Logar Province, Afghanistan when his vehicle struck an improvised explosive device (IED). CPL McCloskey doesn't remember much of the incident, but has been told he saw a pressure board and swerved to avoid it, taking the majority of the blast to himself. The explosion resulted in the loss of both his legs, vision loss in his right eye, burns all over his body and a traumatic brain injury (TBI). Once he returned to the States, CPL McCloskey underwent 30 surgeries during his stay at Brooke Army Medical Center. Because of these severe injuries, CPL McCloskey and his wife face severe challenges trying to live in their current home. His wife has fallen on several occasions trying to maneuver his shower assistance chair.

Corporal McCloskey is the reason why the Elite Staff is so passionate about making this fund-raiser successful. We strongly believe that this is something that all of us can do to **"Make America Great"**. Please share this passion with us by supporting and attending this event.

The event will include 100 Sporting Clays. Registration begins at 8:30 AM, Warm-up Stations will be available starting at 9:00 AM and a shotgun start commences at 10:00 AM. Following the shoot, a barbecue lunch will be served. There will be a Door Prize, Chinese Auction, Silent Auction and a separate raffle for a quality shotgun. The cost to attend the event, including an outline of the available Sponsorship Packages, and the Registration Form are attached.

DONOR COMMITMENT FORM

Elite Midstream Services is proud to sponsor our Second Annual Sporting Clay Shoot benefitting **Homes for Our Troops**. The event will be held on May 20, 2017 at Hunting Hills Shooting Preserve.

Nearly 90 cents on the dollar goes to helping the Veterans they serve.

We are asking some of our friends to contribute to this event to ensure that the Nation's most severely injured veterans can return to as normal a life-style as possible. This is a life-style we sometimes take for granted.

We are asking for a monetary donation to purchase items for the event that we will either raffle or auction to enhance the net proceeds. You may also donate an item that is valued at \$200.00 or more. Your company name will be prominently displayed next to the raffled or auctioned item and will also be included in the event program as a donor.

The Elite employee family is trying to make the phrase "Support Our Troops" a meaningful refrain for all of us.

We thank you for your support!
