

Career Readiness Program

The Ivy Key is a New York City-based tutoring company which offers effective tutoring, mentoring, and admissions consulting. The Ivy Key only employs tutors who have either graduated from or currently attending an Ivy League school or an institution of equal quality. The Ivy Key places a special emphasis on recruiting graduates from Harvard University. Their instructors model tenacity and academic achievement, inspiring our students to work with vigor both inside and out of the academic arena. Their goal is to exemplify the skills needed to unlock the door to a successful high school, college and professional career.

NYC NAF Academies will grant 40 NAF students the Amazing Opportunity to
