BE A PART OF KANSAS CITY HISTORY

Participate in the area's largest ever golf event celebrating **the first total eclipse North America has seen since 1979!** The moon and the Earth will be perfectly aligned for a few minutes on Aug. 21, 2017. This eclipse will be the first with a path of totality crossing the USA's Pacific coast and Atlantic coast since 1918. Also, its path of totality makes landfall exclusively within the United States, making it the **first such eclipse since the country's independence in 1776!**

An event this big can do even bigger things to benefit our Kansas City Youth. Together, GreatLIFE KC, The Kansas City Royals, Royals Charities, and YOU will make an indelible mark on the lives of countless Kansas City kids while experiencing perhaps the coolest event of our lifetime. Funds raised from this event will benefit the KC Royals Charities and the GreatLIFE Cares Foundation. Register today and make sure you can say **"I was there!"**
