Suggestions for twoonie raffle items

- Please consider providing items that are finished product, ideally made with your supplies. This is a great way to show off the potential of buying your beautiful yarns and fibres.

Important note: We try to keep the table fees as low as possible to keep Fibrations as open to small scale artisans as possible. Please note that this festival is not for profit, and exists to benefit the fibre arts community of Vancouver Island. The entire event relies on the success of the twoonie auction- please let your donation item reflect your work and your enthusiasm for the fibre arts! Also remember that your raffle donation will function as advertising for you as well.

Next Steps:

- You will receive a confirmation email from us by July 7th
