

How to change your **BELPER** member profile details

BICYCLE CLUB

Update your personal information to determine what other registered members can see

1

In a web browser go to www.belperbc.co.uk and log in

2

Once logged in, from the Home screen select the drop-down arrow and choose 'Profile'

3

In the profile screen choose 'Edit Profile'

4

Make changes to any of the data

5

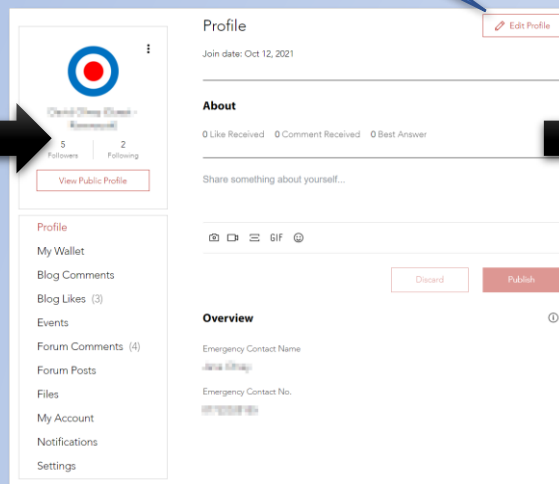

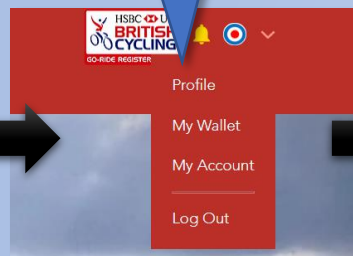

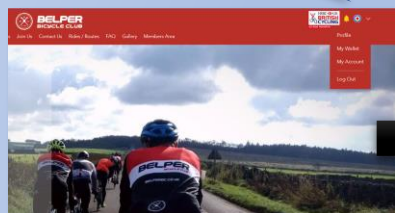

For each field, toggle this icon to select whether the data is visible to other members or not

6

Save any changes by selecting 'Update Info'

7

You can make your whole profile private, and you get the prompt to inform you what will happen if you do

Make Profile Private

If private, your profile won't be visible to other members, you can't comment or like posts and you can't follow members. Also, you'll leave the groups you've joined.

Cancel Confirm

Notes:

The list of registered members are not visible to non-registered members which includes the general public
If you make your profile 'private' you will lose a lot of the functionality and benefits of being a registered member
