### Birth Certificates

A birth certificate is one of the most important documents your baby will need in his/her lifetime. HCPH issues birth certificates for anyone born in the State of Ohio from December 1908 to the present. The cost of a certified copy is \$25.00 (cash, check or money order). Debit cards or credit cards are accepted with an additional fee of 2.55% of the total credit card purchase. For more information call 419-668-1652 ext. 223.

### Immunizations

One of the best ways to protect your child is to make sure you and they have all of their immunizations. Even though most infants and toddlers in the United States have received all recommended vaccines by age 2, many do not, creating the possibility of disease outbreaks. Children who have not had all of their infant immunizations are at risk for getting these diseases from the people who care for them. HCPH offers vaccines for all ages. No child is turned away for Vaccines For Children (VFC) vaccines if their family is unable to pay for the shots. For more information call 419-668-1652 ext. 241.

### Car Seat Safety

Now that you have your baby, you need to keep them safe when traveling. HCPH has three certified Child Passenger Safety Technicians to help you with any questions you have about car seat safety. HCPH offers free child restraint safety checks by appointment and distributes infant and child car seats to Huron and Erie County's needy families through the Ohio Buckles Buckeyes program. Please call Bea Dyer at 419-668-1652 ext. 239 or email her at [bea@huroncohealth.com](mailto:bea@huroncohealth.com) to schedule an appointment.
