Canvas - Required

This is the linen I use. **It is required** so please order ahead of time so you receive your linen in time for the class. I would recommend purchasing enough for several paintings. I would recommend purchasing a sheet of at least 24x24". A 24"x36" sheet should give you a little extra linen for several paintings. You may also purchase by the yard if you so desire. Order the "**CARLO RUSSO PRIMING**". This is his finest weave linen which comes pre-primed with lead and titanium priming. Tell him I sent you, please.
