*I dedicate this book to my beloved parents,  
Esther and Yaakov Hubberkorn.  
Also, to my family.  
Love you with all my heart.*

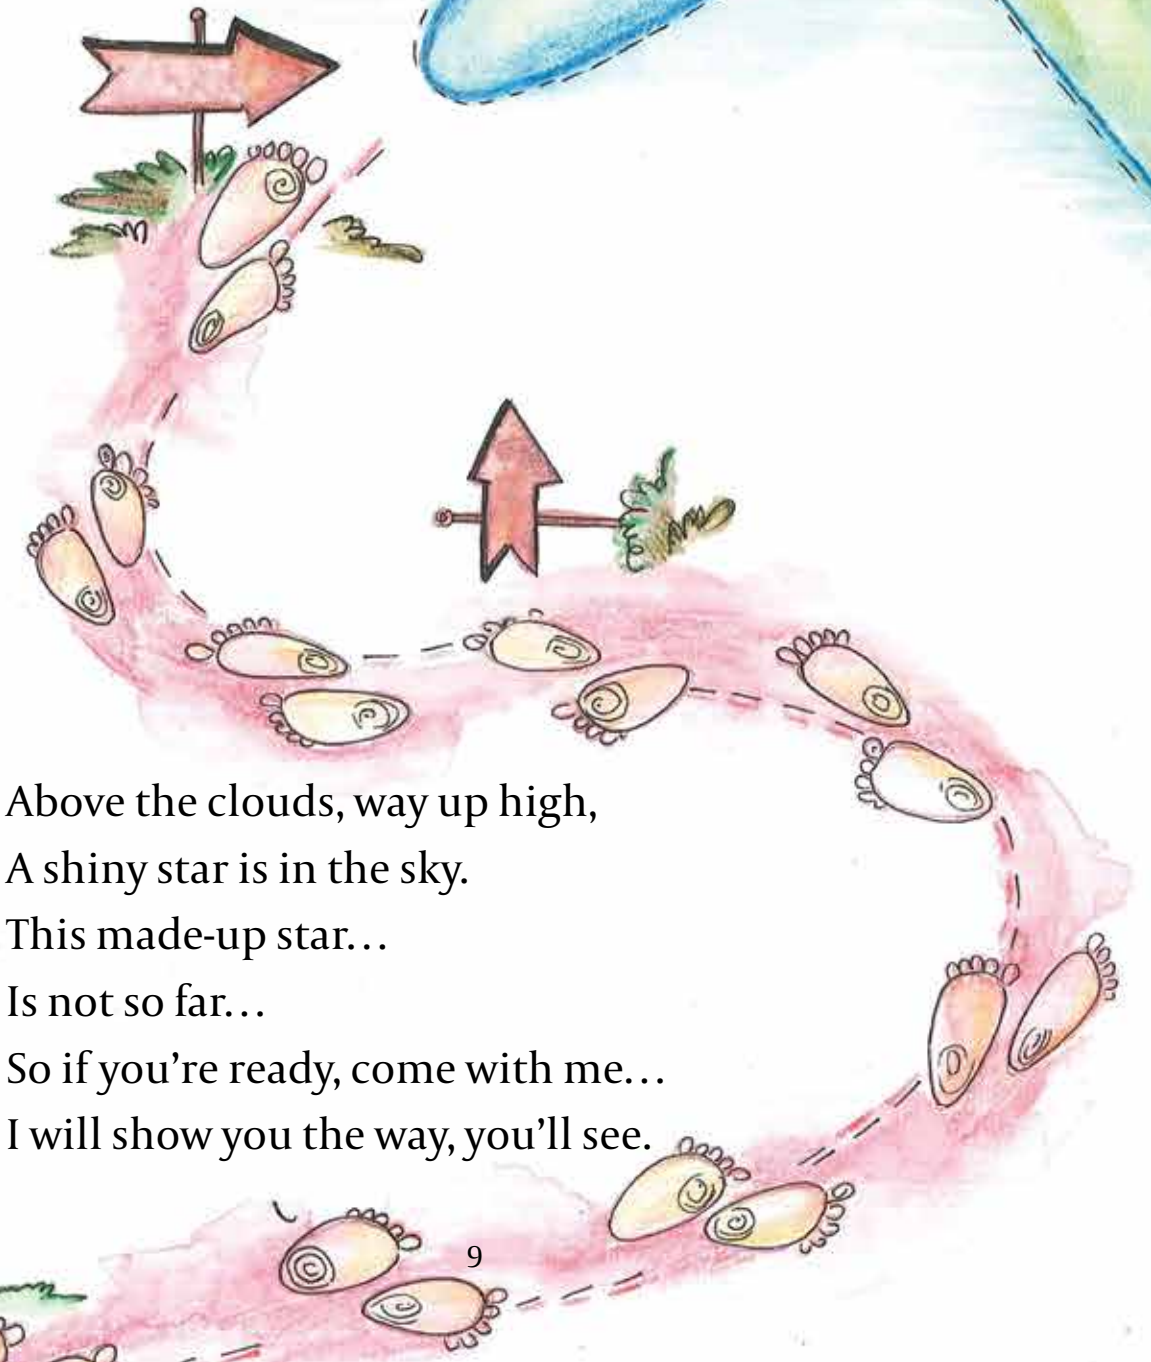

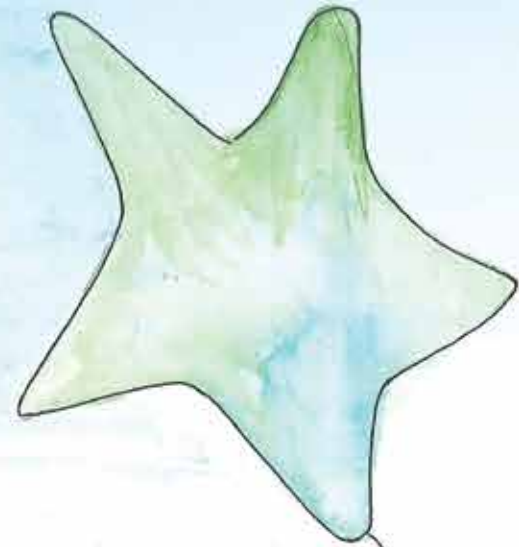

Every person has a star,  
One special and unique.  
The star shines within our hearts,  
It lights up like diamond sparks.  
A star of happiness and light,  
Radiating from the sky,  
This star of joy, way up high.  
Exists within each of us, from above,  
To all of us, with love.

Hi everyone – child, father and mother,  
We finally get to meet each other.  
Princess Love is my name,  
And from the Star of Joy I came.  
I have quite a tale to tell you my dears,  
So sit tight and lend me your ears.

Above the clouds, way up high,  
A shiny star is in the sky.  
This made-up star...  
Is not so far...  
So if you're ready, come with me...  
I will show you the way, you'll see.

In a lovely house,  
Between one hill and another,  
Lived a family, just like any other:  
Mother and father, sister and brother.

The brother and sister, so very sweet,  
Ordinary kids, like those you might meet.  
The brother is called Ron,  
And the sister is called Robin.
