

# Rue de l'échiquier

**Rue de l'échiquier** publishes books for both children and adults in the following categories:

- the environment, climate change and sustainable development
- Healthy Cooking
- Sociology and
- Philosophy

Two of which are graphic novels :

## FOX ON A BICYCLE

256 pages – The story of a fox who leaves the forest because he is lonely and ends up in the city where he joins a bike race - or is it the rat race?

## Who's Taking Out the Trash?

176 pages – The toaster breaks and just as Mr. Everybody was going to throw it out the zen master appears and takes him through the ways that our waste hurts our planet and ways how we can perhaps help. A humoristic approach to the story of waste.
