WINE DIAMONDS

Wine Diamonds New Zealand is a partnership between Wine Diamonds Japan (Ned Goodwin MW, and Ken-Ichi Ohashi MW) and Marlborough based Scotch Wine Bar owner Dan Gillett. Together they import and distribute natural wines.

Natural wine is an interesting concept because there is no clear definition. They focus on wines that are farmed organically and made without any intervention. The wines listed here are all wild-fermented and are not filtered or fined. Some may be cloudy, unusual to the eye even, but this selection is a few that Dan thinks are particularly good to drink!
