Membership is automatically renewed on an annual basis unless otherwise advised in writing one month prior to renewal and is subject to an annual increase. By signing this membership application form you are agreeing to abide by, and adhere to the Members Code of Conduct.

MIA SA Mission

It is the primary objective of MIA SA to be fully representative of the boating sector, be relevant to our members and the boating industry at large, and assist in identifying and developing the market for our products.

Objectives

- Promote the entire boating industry through marketing and advocacy
- Enhance awareness of the economic, social and environmental significance of the Marine Industry across all levels of government
- Play an active role in the drafting and implementation of national regulations affecting the sector
- Facilitate showcases for industry products through boat shows
- Provide leadership and liaise with Governments, Authorities and Agencies
- Provide up-to-date information on legislative requirements
- Provide Industry Accreditation and Builders Plate Programmes
- Conduct and provide research on the sector
- Host industry seminars, conferences and networking events.

Eligibility for membership

- Any individual, firm, company, federation or association actively involved in the marine industry, whether ship and/or boatbuilding and/or repairing, or any other business or trade whose activities or objects are considered by the MIA SA to be sufficiently associated with or allied to the marine industry in South Africa. Applying companies need to be operational: trading for a minimum of 18 months, be a legal entity, be tax registered and have its own trade name.
