

## DESIGNER

Anna Duval is an interior designer with 8 years of work experience. She has accomplished many projects in Toronto and GTA, and provided multiple consultations to the local customers. Her works have been published in well-known design magazines (including Architectural Digest, Elle Decoration, House Beautiful, and others).

## SERVICES & FEES

Being located in Paris, France, Anna keeps providing her services to clients in Canada. The services are provided remotely at the following rates:

Design project: \$4.5 / sq. ft.

Consultation: \$50/ hour

Design project is a ready-to-implement project, which includes: furniture and lighting layouts, 3D renderings, and a shopping list.

## PROCESS

Step 1. Client provides Designer with the measurements and the photographs of the space

Step 2. Client and Designer hold a discussion over Skype, to define: project specifications, budget and timing

Step 3. Designer develops the project:

- creates the concept of the space: atmosphere, style, colour scheme
- plans the space: furniture and lighting layouts, 3D plans
- sources the items: furniture, lighting, accessories, and paints
- prepares project visualization: 3D renderings

Step 4. Designer presents the project to Client as a set of: 3D renderings, furniture and lighting layouts, shopping list

Step 5. Client accepts the project or asks Designer to introduce the necessary corrections

Step 6. Designer introduces corrections, if needed

Step 7. Designer helps Client to implement the project: helps to place the orders and receive designer's discounts, answers possible questions along the process of project implementation

## ADDITIONAL BENEFITS

Anna helps her clients get designer's discounts at the local stores (including Pottery Barn, West Elm, Crate & Barrel, Restoration Hardware, CB2, EQ3, and others). The discounts are 10-20%, depending on the store.
