

# Why Sharing Fables is Important

## What is a fable?

A fable is a type of folktale passed down through generations of retelling.

## A Fable Has 3 Characteristics:

1. Characters are animals or inanimate objects that act like humans.
2. There is a moral lesson, often included at the end.
3. The story is short.

## Share Fables!

- Learn about other cultures.
- Appreciate other traditions.
- Explore a new way of seeing the world.
- Encourage positive character traits.
- Discover a love of stories.

FABLES ARE JUST PLAIN FUN!
