Subject: Responsibility assignment by Former Ethiopian Armed Force Worldwide Organization

Dear Sister

Greeting on behalf of Former Ethiopian Armed Forces Worldwide Organization and myself to you and your family members. Your voluntary, effective and continuous role for the last 23 years for those who have contributed nationally, but whose role and contribution was damage and forgotten by their people and the separatists who illegally disintegrated the Armed Forces legal rights in 1991 is of great significance and importance to our organization. In addition, your diligent effort and unmatched contribution to get released those who were in prison, and liberate over 900 naval forces members, their family, as well as the civil servants in the Navy and their family to resettle in the United States, that the Former Ethiopian Armed Forces Worldwide Organization and their family always remember. As we always remember, you were also the first & only Ethiopian who worked hard for long time on this matter & related to the Former Ethiopian Armed Force Worldwide Organization. We, members of the organization then would like to express our sincere love, heartfelt appreciation and respect for you about your patriotic contribution and accomplishment.

Dear sister:

Today, on May 28, 2014, legally organized Former Ethiopian Armed Force Worldwide Organization has taken an initiative to help and be concerned for those citizens who are in need of help by building on what you have started and still working on. Assuming that you will accept our assignment, on the meeting held on June 25, 2014 members of our organization unanimously made a decision:
