Thursday April 13, 2017

GEORGIA NATIONAL GOLF CLUB

1715 LAKE DOW ROAD, MCDONOUGH

WHY YOU SHOULD GIVE OUR TEAMS A SHOT

Mustang Robotics began as one Ola High School team with 12 members 5 years ago and has continued to grow ever since, adding Ola Elementary School the past 3 years and Ola Middle School this year. We now have 8 VEXIQ teams on the elementary and middle school level and 4 teams on the high school level.

Throughout the history of Ola Mustang Robotics, we have had 7 high school teams attend the VEX World Championship including winning 3 State Championship titles and the Excellence Award, VEX Robotics highest honor. We have also had 1 Elementary team win the Georgia State VEXIQ Design Award and qualify for the VEX World Championship. This year we are excited, as we just completed our state championship events and have a team on the elementary, middle, and high school level attending the VEX World Championship. This is an exciting accomplishment for our Ola Mustang Robotics program.

All money raised from the golf tournament will go to help support these students as they prepare for the VEX World Championship in April.

HELP SEND OLA TO THE VEX WORLD CHAMPIONSHIP!

To register contact: Christie Schmitt—Ola High School Engineering Teacher

Christie.Schmitt@henry.k12.ga.us or 404-326-0332

Payment can be made in cash or money order to Ola High School

Ola Golf Tournament Registration Form

Thursday, April 13, 2017 – Georgia National Golf Club
