### **Other Ways To Give:**

We're looking for Birthday Enthusiasts to help with party themes (from concept to execution of the party), activities and craft ideas, web design, soliciting sponsorships for our birthday parties, organizing volunteers, and getting other organizations on board.

We love anyone who will advocate on our behalf and are grateful for the support as we grow!

### **our mission:**

To celebrate the lives of homeless children and youth by partnering with homeless shelters to provide birthday parties and gifts for all resident children between the ages of one and eighteen.
