

## Treasure Map for Board/Committee Members

Your Name: \_\_\_\_\_ Email (or Phone) \_\_\_\_\_

Whom do you know that would be an asset to Your Nonprofit's leadership team, who would be able to attend an hour board meeting and/or an hour committee meeting each month? This is a brainstorming list of categories of people who relate to you and/or to Your Nonprofit -- for collecting the names and contact information of individuals in those categories. If someone you would list is already over-committed, consider his or her spouse. Statistically, everyone knows 40 people who would enjoy being more involved in community service. List those you know who would be available to participate -- as board or committee members, or construction volunteers.
