

Tamworth Spartans Volleyball Club New joiner form

Hello,

We are delighted that you would like to join Tamworth Spartans Volleyball Club.

You'll see from the form that there are a few personal details needed – don't worry, these are simply required by Volleyball England to register you as a club member. We certainly won't bombard you with post at your home address!

We use email to keep club members up to date on club news, matches and training, so please do ensure we have your correct email address and you let us know if it changes. We won't pass it on to anyone else. It's also useful to have your mobile number so your squad captain can check availability and inform you of any changes to matches. On occasion, we will also send out an all club text message – usually if we have a last minute change to the schedule, ie, a match is cancelled and we want to hold all club training. Again, we won't pass on your number to anyone else.

If you could fill out the form below and either hand a printed copy to Kara, Simon or Seb at a training session or email back to Kara at karagriffiths@outlook.com, we can complete all of the necessary paperwork to ensure you can start playing for one of our squads as soon as possible!

Thank you

Kara
