### Theatre

Shadow Ridge High School's Kaleidoscope Theatre is at it again! Their performance of "Little Shop of Horrors," May 5,6,12,13, is sure to get audiences' moving.

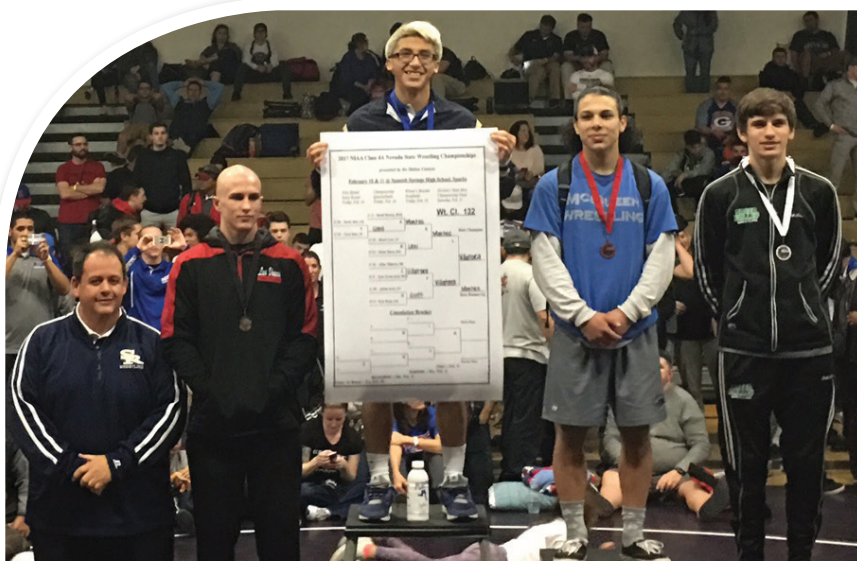

Meek flower shop assistant Seymour pines for co-worker Audrey. During a total eclipse of the sun, he discovers an unusual plant he names Audrey II, which feeds only on human flesh and blood. The growing plant attracts a great deal of business for the previously struggling store. After Seymour feeds Audrey's boyfriend, Orin, to the plant after Orin's accidental death, he must come up with more bodies for the increasingly bloodthirsty plant.

"You cannot get much better than this play," says Jimmy Carosone (Director). "It has comedy, tragedy, death, and a man-eating plant."

The show is on May 5,6,12, and 13 at 6 PM, with a special faculty show on May 10. Tickets are on sale at [showtix4u.com](http://showtix4u.com).

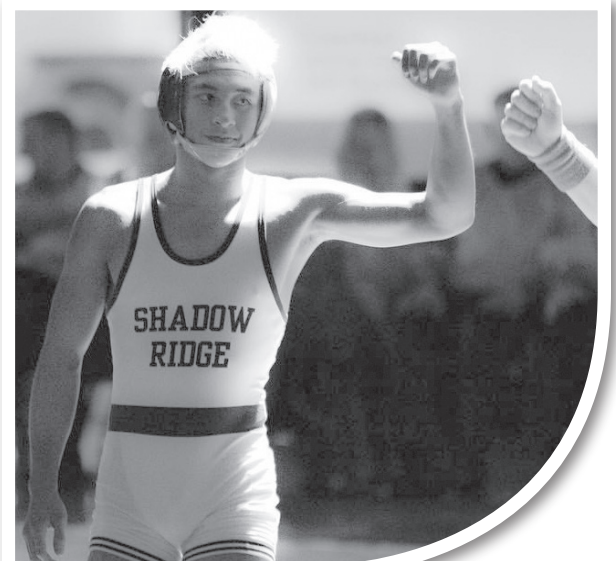

### SRHS Wrestling

We would like to congratulate our newest Shadow Ridge State Champion. **Alika Villiatora** placed 1st at the NIAA Wrestling Championships in Reno at the 132lb weight class. He is Shadow Ridge's 4th State Champion in Wrestling. He is also a 3x Sunset Regional Champion. Other wrestlers who placed at the state tournament were **Jamison Rand** (3rd), **Javier Zuniga** (4th), and **Marc Williams** (4th). As a team, the Mustangs placed 7th. They place second at the Sunset Regional Tournament, and they were once again Division Champs. The Varsity team had a 33-6 duel record and placed in several tournaments throughout the season. They competed at the Disney Duels in Orlando, Florida during December, as well as competing in tournaments in Utah and California.

SHADOW RIDGE HIGH SCHOOL  
MISSION  
STATEMENT  
SUCCEED AND EXCEL

CLARK COUNTY SCHOOL DISTRICT • SHADOW RIDGE HIGH SCHOOL  
V • I • S • I • O • N  
All students will graduate from high school having the knowledge, skills, attitudes, and values necessary to achieve academically, prosper economically, and contribute in a diverse global society.

Shadow Ridge Boys Basketball

Shadow Ridge’s Boys Varsity Basketball team finished the regular season with an overall record of 14 and 10. The Mustangs won the consolation championship brackets in the Legacy and Tarkanian Classic tournaments. Senior guard James Fuller was selected 1st Team All-Sunset Region and 1st Team All Northwest Division. Senior Forward Bricin Ford was selected 2nd Team All-Northwest Division.

Coach Welby

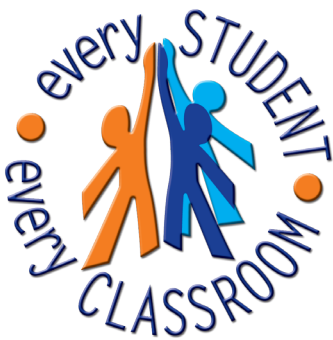

Flag Football

“Flag football had a wonderful 2016-2017 season. We finished the year with a 17-8 record, finishing 4th in the Northwest Conference and making the playoffs. We had a great community outreach event with Warrior Night, raising \$350 for homeless veterans. The team set many records this year, including most wins in school history, most rushing yards, most passing yards, most receiving yards, and most points scored.

As a team we had many outstanding individual performances. Samantha Milanovich finished as the top scorer in the state of Nevada and the number 3 receiver in the state, Bianca Willrich finished as the number 2 flag puller in the state, and Jordan Ford finished as the number 2 running back in the state.

For the second year in a row we improved as a team and look to continue to become a better team next year. The girls on the team put forth an extraordinary effort throughout the season. The team looks forward to more successful seasons in the future.”

Closed Campus

All CCSD schools operate under a closed campus policy. After arriving at school, students are not to leave school either during a class period, between class periods, or during lunch without a passport. Passports for appointments or other non-illness reasons may be obtained with parental permission in the attendance office. Students who need to go home during the school day due to illness must check out through the nurse’s office. Violators are subject to a disciplinary consequence. Once students enter the building, they may not be outside the building unless permission has been granted. This means that a student may not go to his/ her vehicle unless permission has been given.

Attendance — Denial Of Credit

We mail attendance notifications for students with unapproved absences. Parents and students should monitor and check for attendance errors through their Infinite Campus account. We process letters when a student accrues their 3rd, 5th, and 7th unapproved absences. The 7th unapproved absence letter is the Denial of Credit Notification. The student has accrued more than six (6) unapproved absences in the class. The Clark County School District Regulation 5113 limits unapproved absences in any class to six (6) per semester. Students will not earn credit for that course that semester and may be retained in the same grade. If a parent/guardian believes that extenuating circumstances, issues that may have led to the excessive absence and/or mistakes in the record have been made, the parent may appeal to the principal/designee.

Cell Phone & Electronic Devices

CCSD/Shadow Ridge High School Cell Phone & personal electronic devices Guidelines

These guidelines include the following:

**Limited Use:** Students are permitted to use cellular phone and personal electronic devices during instructional day in accordance with instructional activities and classroom procedures as outlined by their classroom teacher. Within this setting, students are expected to follow teacher directions regarding when devices may be used, when they can be out, and when they must be put away. Use of cellular phones and personal electronic devices in other instructional settings is prohibited

During all other times:

- » Cellular phones must be turned off and remain off during instructional time and passing periods. Phones left on silent or vibrate are considered in use and will be subject to confiscation.
- » Cellular phones may only be used prior to the first bell, after the final bell, or during your student’s scheduled lunch period.
- » Cellular phones must be stored out of sight during school hours in the student’s pocket, backpack, or purse.
- » Those in violation of this policy will have their cellular phones confiscated by school staff. Phones will be returned during non-instructional hours to a parent or guardian only.
- » Cellular phones must remain in the off position during a school evacuation, lockdown, or drill to make emergency communication possible for CCSD employees.
- » As a condition of possessing a device on campus, the student agrees to a search of the device’s content during a disciplinary investigation if the search is necessary to determine involvement.

We empathize with families trying to meet their scheduling needs, but we cannot allow technology to be used in a detrimental or dangerous manner in our schools. We seek your support and hope that you will speak with your child so they too understand the importance of following this policy. Their safety is of paramount importance to us. We are equally committed to having a quality of instructional time and ensure the safety of your child. Help us make this a successful and safe school year for everyone. For further information please refer to NRS.4637, CCSD Policy 5136.

Opening the Lines For Parent Communication

The commitment of parents/guardians to the educations of their children is critical to every success as schools work diligently to meet the diverse learning needs of the Clark County School District student population. Parents often desire contact with various offices or personnel to express views, concerns, and questions. To assist you in this regard, some simple tips and guidelines have been developed.

IF THE CONCERN IS A:

**Classroom Issue:** Contact the teacher and allow 24 hours for a return call.

**School issue:** Contact the school administrator responsible for your area of concern.
